STATE OF NEW YORK
EXECUTIVE CHAMBER
ALBANY 12224

GEORGE E. PATAKI
GOVERNOR

October 9, 2001

Dear Mr. Kurti:

Please accept my appreciation for your generous offer of assistance to the State of New York as our Nation continues to cope with the unspeakable tragedy that has struck New York City.

Your offer of assistance was forwarded immediately to the State Emergency Management Office. While the need to call upon your volunteer services and donations is determined by Emergency Management officials on the Federal, State and City level, the collective expressions of support are a tremendous boost for our on-scene personnel. This disaster is unlike anything we have ever faced in both magnitude and duration. Should the time come when the people of New York City need to avail themselves of the goods or services you have offered, you will be contacted.

Thank you again for your generosity. The citizens of New York State are moved by the unselfish devotion of so many at this critical time in our history, and are grateful for the overwhelming outpouring of support received from around the Nation and throughout the world in the wake of this horrific disaster.

Very truly yours,

Mr. Sandor Kurti
